

**QOPI® Certification Program**

Quality Cancer Care: Recognizing Excellence

11/12/15

Penn State Hershey Cancer Institute  
500 University Drive  
Hershey, PA 17033

**Penn State Hershey Cancer Institute,**

**Congratulations!** This letter confirms that your practice has achieved *QOPI® Certification*. This status demonstrates a commitment to excellence and ongoing quality improvement in your practice.

The complete certification term is three years from designation of *QOPI Certification* status, which your practice achieved **11/12/15**. *QOPI Certification* must be renewed every three years and your current term is current through **11/12/18**. *QOPI Certification* reflects a commitment to quality of care that leads to fundamental changes in the clinical practice of oncology. You have achieved this certification by meeting *QOPI's* core standards in all areas of treatment, including:

- treatment planning;
- staff training and education;
- chemotherapy orders and drug preparation;
- patient consent and education;
- safe chemotherapy administration;
- monitoring and assessment of patient well-being.

Congratulations on this significant achievement. If you have any questions, please email: [qopicertification@asco.org](mailto:qopicertification@asco.org).

Sincerely,

Allen S. Lichter, MD  
President  
QOPI Certification Program
